

A **collocation** is a pairing of words that is seen as natural by a native speaker. There are seven different types of collocations in English: **noun + noun**, **adjective + noun**, **noun + verb**, **verb + noun**, **adverb + adjective**, **verb + adverb**, and **verb + preposition or prepositional phrase** (phrasal verb). Below are some resources to help you with these combinations. Note: These combinations may vary depending on which English speaking country you are in. The lists provided have been checked and represent what is used in the academic community here.
